# BAYOU GRILL

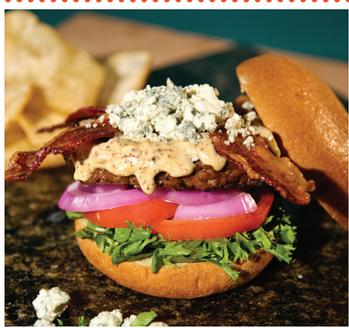

## HANDCRAFTED BAYOU BURGERS

Each burger begins with eight ounces of 100% Angus beef, grilled and served on your choice of bun: hearty whole wheat or barely sweet brioche. They're dressed with fresh ingredients — green leaf lettuce, ripe tomatoes and sweet red onions — and paired with our extra crisp homestyle potato chips, thick-sliced russets fried to golden brown perfection.

### ALL-AMERICAN

An updated classic, the All-American gets an added dash of flavor from Creole mustard aioli and tangy cheddar cheese.

### BACON & BLUE

When sizzling bacon meets Danish blue cheese crumbles, it's love at first bite. This is a match that's destined to delight the palate.

### GRILLED CHICKEN SANDWICH

Great chicken can't be rushed. This tender chicken breast is marinated overnight — in a blend of seasonings, lime juice and honey — to keep it extra juicy on the grill.

### SOUTHWESTERN WONDER

Swiss cheese on a Southwestern burger? You bet. It's the perfect counterpoint to our savory topping of sautéed onions, sweet peppers and mushrooms.

### BAYOU BBQ

Sweet Baby Ray's barbecue sauce makes this a burger that can't be beat. It's served with a side of sweet and savory coleslaw, tossed in a cool, creamy dressing with a hint of Creole spice.

## BAYOU DOGS

These are top dogs, grilled to maximum flavor and served on a soft, fresh bun. Served with our homestyle potato chips.

### ALL-AMERICAN

Classic, but even better. A Nathan's Famous frank, Creole mustard aioli and tangy cheddar cheese.

### CHILI-CHEESE

One of the all-time greats. Hearty chili and velvety jalapeño cheese top a Nathan's Famous frank.

### SOUTHWEST TRADITION

Nothin' but flavor. This dog, made with a Nathan's Famous frank, shows off a sautéed medley of onions, sweet peppers and mushrooms — topped with sliced jalapeños.

### SPICY CAJUN FOOTLONG

Locally produced Cajun sausage, grilled and served on a footlong bun. Add your favorite toppings at the condiment bar.
